

I. Read the Extract A and Extract B and then answer the questions from 1 to 8:

Extract A: School Days in a Small Town

Extract B: A School in the City

1. What is one feature of the school described in Extract A?

Answer: C. The school focuses on academic learning and extracurricular activities.

Explanation: Extract A emphasizes the school's focus on both academics and activities like music and talent shows.

2. How does the community affect the school in Extract A?

Answer: B. The community works together to ensure everyone's voice is heard.

Explanation: Extract A highlights the collaborative efforts of the community to make the school a better place for everyone.

3. What does Extract A suggest about the students' relationship with teachers?

Answer: C. Students feel encouraged to ask questions and engage in lessons.

Explanation: Mrs. Roberts, the teacher in Extract A, is described as someone who encourages students to ask questions and participate actively.

4. How does life in the city school differ from life in the small-town school, according to Extract B?

Answer: C. City schools have large class sizes and more distractions.

Explanation: Extract B mentions larger class sizes in city schools, which can make it harder to build relationships, and also mentions distractions in the city.

5. What aspect of the city school environment is described as both exciting and challenging?

Answer: B. The fast-paced and high-energy atmosphere.

Explanation: Extract B describes the fast-paced nature of city schools, which can be exciting but also challenging.

6. What is a challenge faced by the city school as described in Extract B?

Answer: B. Students have trouble finding time to relax.

Explanation: The author mentions that the constant rush of the city can make it hard for students to find time to unwind.

7. According to Extract A, what is the atmosphere in the small-town school like?

Answer: C. A mix of learning and community activities.

Explanation: The passage describes a balance between

8. What does Extract B say about students' lives outside of school?

Answer: B. The city offers plenty of places to relax and hang out after school.

Explanation: Extract B mentions that students often hang out at cafes, parks, and shopping centres after school.

II. Read the following Poem and answer the questions from 9 to 14:

The Ripple

9. What is the main theme of the poem?

Answer: A) The impact of our actions on others

Explanation: The poem focuses on how even small actions or words can have a larger impact on others, much like a ripple caused by a drop in the sea.

10. What does the "single drop" symbolize in the poem?

Answer: B) A small, seemingly insignificant action

Explanation: The drop represents the small actions or words we make in life, which may seem insignificant at first but can have far-reaching effects.

11. How does the ripple grow in the poem?

Answer: C) It spreads wide and touches others

Explanation: The ripple in the sea grows wider and moves farther, symbolizing how our actions can have a growing impact on others.

12. What does the poem suggest about the things we say?

Answer: C) They can have a lasting effect on others

Explanation: The poem emphasizes how the things we say can spread and affect others, much like the ripple that extends outward.

13. What does "Touching lives we may not know" mean?

Answer: A) Our actions can influence people we don't personally meet

Explanation: This line suggests that even though we may not directly see the effects of our actions, they can still influence and reach others in ways we might never fully understand.

14. What is the overall message of the poem?

Answer: A) Our actions, no matter how small, can make a difference

Explanation: The poem highlights how even seemingly small actions and words can ripple out and have a profound effect, suggesting that we all have the power to make a difference.

III. Read the text below, which consists of few paragraphs (questions 15 – 20). For questions 15 – 20, choose the option (A – G) which best summarises each paragraph. There is one extra option which you do not need to use.

The Rise of Artificial Intelligence

Answer Key: 15. F 16. G 17. B 18. C
19. D 20. E

IV. Read the four extracts below on the theme of peace. For questions 21 – 30, choose the option (A, B, C, or D) which you think best answers the question.

Extract A
Extract B
Extract C
Extract D

Which extract...

21. **Refers to peace as an internal state rather than external circumstances?**
Answer : A – Extract A discusses the idea that true peace comes from within rather than external conditions.
22. **Describes an experiment measuring how surroundings influence feelings of peace?**
Answer: C – Extract C describes an experiment that examines how environments impact emotions and feelings of peace.
23. **Explains how cooperation can restore harmony to a divided community?**
Answer : B – Extract B tells the story of farmers who resolve their conflict through cooperation.
24. **Suggests that reconciliation begins with understanding another person's pain?**
Answer: D – Extract D shares the wisdom of a grandfather who believes that understanding another's pain is key to reconciliation.

25. **Describes someone who remains peaceful despite the chaos around them?**
Answer: A – Extract A depicts an old man who remains peaceful despite the world's chaos.
26. **Mentions a long-standing conflict that was healed through collective effort?**
Answer: B – Extract B shows how a community overcame a long-standing division through shared effort.
27. **Suggests that physical environments can contribute to emotional well-being?**
Answer: C – Extract C highlights the role of physical surroundings in shaping emotional states
28. **Tells the story of a person who experienced conflict but chose to focus on peace?**
Answer: D – Extract D describes a person who experienced war but chose to focus on peace and reconciliation
29. **Implies that people underestimate their own ability to create peace?**
Answers: A – Extract A suggests that peace is something individuals can cultivate themselves
30. **Shows how a single idea can transform an entire community?**
Answers : B – Extract B demonstrates how a single idea transformed an entire community
